Grant County Sheriff Department Golf Cart Inspection Information

Crescent Bar road from the Trinidad Creek Bridge to the island is now designated as a golf cart zone. Golf Carts will need the following to pass inspection and receive a decal allowing them to travel on the road in the Golf Cart Zones

Reflectors

Seat Belts

Rear view mirrors (1 left and one in the middle or the right side)

They will also need some type of documentation to show proof of ownership of the carts as well as the owner present to sign documents. This can be as simply as the owner of the cart with a driver's license or any paperwork showing ownership.

Here are the dates they are planning on and the locations of the dates. If you can't make these dates, you will need to schedule another time for the inspections to be conducted in Ephrata at the Sheriff's Office (509-754-2011). Even if you won't be in these areas on the dates, you can come to another location to have your cart inspected at the specified date (If you won't be in Desert Aire on May 13th, you can come to Crescent Bar on May 14th).

Desert Aire: May 13th from 9:00am to 1:00pm

Sunland Estates: May 13th from 2:00pm to 6:00pm

Crescent Bar: May 14th from 9:00am to 1:00pm

Desert Aire: June 25th from 9:00am to 1:00pm

Sunland Estates: June 25th from 2:00pm to 6:00pm

Crescent Bar: June 24th from 9:00am to 1:00pm

The Sheriff Department will only accept cash or check on these inspection days. The fee is \$50 which includes \$15 inspection fee and \$35 registration fee. The decal and registration will only be good for one year.

Be sure to read the complete ordinance for all the rules and restrictions.
